Unparalleled Fund Safety

- ✓ **Level 1: Segregated Accounts**
Client funds are separate from company operating expenses.
- ✓ **Level 2: Independent Custodian**
Administration of client funds is done via an Independent Custodian with separate directors. This ensures protection against any misappropriation or mishandling.
- ✓ **Level 3: Keyman Risk Protection**
The Independent Custodian is financially protected by a world-class insurer in the event of director's keyman risk through insurance.

Optimal Fund Safety for All Our Valued Clients

Fullerton Custodian helps both individuals and businesses effectively manage and preserve their wealth and plan their finances for the future.

Our services:

- ✓ Estate Planning
- ✓ Creation of Trusts
- ✓ Tax Advice
- ✓ Investment Management Advice

Financial Commission

Approved Broker Member of Financial Commission

Fullerton Markets status as an Approved Broker Members of the Financial Commission took effect on August 22, 2022, following the approval of its membership application by the Financial Commission, thus allowing the companies and its customers access to a wide range of services and membership benefits including, but not limited to, protection for up to €20,000 per the submitted complaint, backed by the Financial Commission's Compensation Fund.

Fullerton Markets joins a diverse range of brokerages and independent service providers (ISPs) that utilize the services of the Financial Commission as part of their commitment to their clients while upholding membership requirements.
